PROJECT ABSTRACT:

E-commerce is the process of doing business online, and e-commerce has made it easier for humans to reduce physical labor and save time, and the main advantage of e-commerce over traditional commerce is that the user can browse online stores, compare price, and order goods, while sitting at home on their devices.

PROJECT OBJECTIVES:

- Increasing sales.
- Making responsive ecommerce website.
- Providing a unique customer experience.
- Developing business relations.

WHO ARE THE PROJECT **COMPETITIVE**? AND HOW WILL YOUR PROJECT BE **DIFFERENT**?

Traditional trade.
E-commerce reduces physical labor and saves time, and it will be easy to use, understandable and responsive in dealing with it.
